

2020 Annual Conference

October 4-6, 2020

Sponsors & Exhibitors

[REGISTER TODAY!](#)

The New England Chapter ISA Conference and Trade Show, like many events in 2020, is being reimagined. Our live event is going virtual. We hope you will join us on this exciting adventure!

What do I have to commit to if I Exhibit? You will be creating a virtual exhibitor booth by providing us with some basic information about your company. Your booth will be accessible throughout the conference. We will direct participants to the trade show using games and notifications. If you want live representatives, you will need to provide staff to monitor your booth during the Live Trade Show dedicated days and times:
