ARBOR DAY GRANT

The Arbor Day Grant supports communities that need help to build their Arbor Day Programs.

This grant awards **$1,000** to a community or community organization that demonstrates need to support their Arbor Day celebration.

Applications are due March 25.

STUDENT SCHOLARSHIPS

Applicants receive a free Student Membership (Includes membership to ISA).

Three **$2,500** scholarships are awarded each year.

Scholarships are awarded to students pursuing a degree in arboriculture, urban forestry, and related fields.

Applications are due April 1.

SHIGO STUDENT SUPPORT FUND

For students endeavoring to deepen their knowledge of arboriculture through trainings, conferences, workshops, and other events. Up to **$500** per request.

DIVERSITY AND INCLUSION FUND

For those underrepresented in our chapter's population endeavoring to deepen their knowledge of arboriculture through participation in conferences, workshops, and other events. Up to **$1000** per request.

All applications can be found on our website.

WE WELCOME YOU TO JOIN US!

The New England Chapter of the International Society of Arboriculture offers opportunities for professional development through educational workshops, trainings, public service, and events throughout New England.

Through these professional activities, we strive to enhance our members' technical proficiencies and help our members stay abreast of technical and scientific developments in the field of arboriculture.

Additionally, we encourage our members to engage with the general public and to share with them the research, science, and art of arboriculture.

EDUCATIONAL OPPORTUNITIES

- Multi-Day Annual Conference
- Annual Tree Climbing Championship
- Training Workshops
- Certification Exams
- Calendar of Arboriculture and Urban Forestry events and CEU opportunities in the New England area

JUST FOR STUDENTS

- NEW LOWER STUDENT MEMBER RATE—JUST $15/year
- FREE ISA Student Membership
- FREE Multi-Day Annual Conference
- Other Financial Assistance

OUR MISSION

We promote professional arboriculture, research and awareness of the benefits of trees in New England.

NEC-ISA GOALS

- Be a leader in providing arboricultural education in New England.
- Advance arboriculture research locally and internationally.
- Increase public awareness of the profession of arboriculture and the benefits of trees.
- Be a progressive organization that meets the needs of its members and stakeholders in an impactful and sustainable manner.
